Moyer Street Park Organizational Meeting

Medusa Pizzeria

Tuesday, March 19th – 7pm

Are you interested in helping your fellow neighbors form a new public space in our neighborhood? Then make plans to attend a meeting about the Moyer Street Park on Tuesday, March 19th at 7:00 PM. We will be meeting in the upstairs space of Medusa Pizzeria at the corner of Gaul and York Streets to discuss strategies on getting the Moyer Street Park off of the ground. What is Moyer Street Park? For several years, there has been a vision to transform the space between Planet Fitness and CVS Pharmacy at York Street and Aramingo Avenue into a linear park. This blighted strip between the York/Aramingo intersection and Hagert Street is technically a public street, but through the city's Pedestrian Plaza program, we intend on closing it to traffic and creating a space where people can gather and help create a gateway to the neighborhood.
